The Works of G.K. Chesterton Gilbert Keith Chesterton 2008 An extensive selection of the works of one of the finest and most prolific writers of the twentieth century.

In Defense of Sanity G.K. Chesterton 2011 G.K. Chesterton was a master essayist. But reading his essays is not just an exercise in studying a literary form at its finest, it is an encounter with timeless truths that jump off the page as fresh and powerful as the day they were written. The only problem with Chesterton's essays is that there are too many of them. Over five thousand! For most GKC readers it is not even possible to know where to start or how to begin to approach them. So three of the world's leading authorities on Chesterton - Dale Ahlquist, Joseph Pearce, Aidan Mackey - have joined together to select the "best" Chesterton essays, a collection that will be appreciated by both the newcomer and the seasoned student of this great 20th century man of letters. The variety of topics are astounding: barbarians, architects, mystics, ghosts, fireworks, rain, juries, gargoyles and much more. Plus a look at Shakespeare, Dickens, Jane Austen, George MacDonald, T.S. Eliot, and the Bible. All in that inimitable, formidable but always quotable style of GKC. Even more astounding than the variety is the continuity of Chesterton's thought that ties everything together. A veritable feast for the mind and heart. While some of the essays in this volume may be familiar, many of them are collected here for the first time, making their first appearance in over a century.

Tremendous Trifles Gilbert Keith Chesterton 1920 So it was, certainly, with the Bastille. The destruction of the Bastille was not a reform; it was something more important than a reform. It was an iconoclasm; it was the

breaking of a stone image. The people saw the building like a giant looking at them with a score of eyes, and they struck at it as at a carved fact. For of all the shapes in which that immense illusion called materialism can terrify the soul, perhaps the most oppressive are big buildings. Man feels like a fly, an accident, in the thing he has himself made. It requires a violent effort of the spirit to remember that man made this confounding thing and man could unmake it.

G.K. Chesterton, London and Modernity Matthew Beaumont 2013-12-05 G. K. Chesterton, *London and Modernity* is the first book to explore the persistent theme of the city in Chesterton's writing. Situating him in relation to both Victorian and Modernist literary paradigms, the book explores a range of theoretical and methodological approaches to address the way his imaginative investments and political interventions conceive urban modernity and the central figure of London. While Chesterton's work has often been valued for its wit and whimsy, this book argues that he is also a distinctive urban commentator, whose sophistication has been underappreciated in comparison to more canonical contemporaries. With chapters written by leading scholars in the field of 20th-century literature, the book also provides fresh readings and suggests new contexts for central texts such as *The Man Who Was Thursday*, *The Napoleon of Notting Hill* and the *Father Brown* stories. It also discusses lesser-known works, such as *Manalive* and *The Club of Queer Trades*, drawing out their significance for scholars interested in urban representation and practice in the first three decades of the 20th century.

Manalive G. K. Chesterton 2013-01-16 Light-hearted work introduces Innocent Smith, a bubbly, eccentric gentleman of questionable character, into the lives of a group of young disillusioned people — and the result is inspired, high-spirited nonsense.

The Incredulity of Father Brown G. K. Chesterton 2021-01-01 *The Incredulity of Father Brown* is the third book of the *Father Brown* series. Eight short stories including: *The Resurrection of Father Brown*; *The Arrow of Heaven*; *The Oracle of the Dog*; *The Miracle of Moon Crescent*; *The Curse of the Golden Cross*; *The Dagger with Wings*; *The Doom of the Darnaways*; and, *The Ghost of Gideon Wise*.

Father Brown G. K. Chesterton 2013-01-01 Gilbert Keith Chesterton was an English writer who lived at the turn of the 20th century. His works explored a number of subjects such as philosophy, poetry, journalism, lectures, criticism, and theatrical plays. However, his best-known stories feature the character of an English priest and detective named Father Brown. While the character was based on a real priest who was involved in Chesterton's own conversion of faith, the adventures and mysteries that Father Brown solves are purely fictional. Included in the collection "Father Brown: The Essential Tales" are "The Blue Cross," "The Invisible Man," "The Strange Crime of John Boulnois," and twelve other thrilling stories. What is interesting about Father Brown is that he does not rely on deductive reasoning like other famous detectives, namely Sherlock Holmes. Instead, Father Brown relies on intuition. He puts himself into the mind of the perpetrator and figures out the criminal's steps along the way. Part of what makes him a great detective is that Father Brown is never shocked by the atrocities that he sees. As a priest, he says that he has already heard about all the awful things people do and think; nothing surprises him anymore. He also refuses to believe in any supernatural explanations and instead focuses on a case's reasonable explanation. Anyone wanting a fun and entertaining read with a great character to lead the way should add "Father Brown: The Essential Tales" to their reading list.

unchanged London in 1984. Though the novel deals with the future, it concentrates not on technology nor on totalitarian government but on a government where no one cares what happens, comparable to Fahrenheit 451 in that respect. The dreary succession of randomly selected Kings of England is broken up when Auberon Quin, who cares for nothing but a good joke, is chosen. To amuse himself, he institutes elaborate costumes for the provosts of the districts of London. The Flying Inn is another political fantasy, with an attempt to create prohibition in the UK, and a small group of rebels who travel the country one step ahead of the authorities. The Trees of Pride is a mystery tale involving strange transplanted trees and the superstition accompanying them.

Father Brown G. K. Chesterton 2003 Shrewd and punctilious, with an intuitive awareness of the dark secrets of human nature gained in the confessional, Father Brown is well equipped to uncover the startling truth wherever murder, mayhem and mystery stalk society.

The Sins of G K Chesterton Richard Ingrams 2021-08 "Despite insisting throughout his life that he was a journalist, G. K. Chesterton was famous in his day as the author of over one hundred books, including the Father Brown stories. He was a character literally larger than life, a man renowned for his wit who in his final years became even better known as a broadcaster on BBC radio. The Sins of G. K. Chesterton explores an often-overlooked aspect of his life and work -- the personal relationships with his younger brother Cecil, Cecil's wife Ada (also known as 'Keith') and, in particular, the friend and mentor of both brothers, Hilaire Belloc. This brilliant biographical study challenges the conventional image of Chesterton. With the help of previously unpublished material, Richard Ingrams reveals a more vulnerable figure, manipulated by his brother and Belloc, the domineering Anglo-Frenchman. It was the influence of both men that involved Chesterton in the greatest controversy of his life -- the Marconi scandal. While Ingrams's vivid account of the scandal and its aftermath is a stark reminder that anti-Semitism is nothing new in British political life, this work is also an absorbing tribute to a great English writer in need of rediscovery" --

Chesterton is not afraid to let blood be drawn in his battles, fought with sword and halberd in the London streets between neighbouring boroughs; Wayne thinks up some ingenious strategies, and Chesterton does not shrink from the death in combat of some of his characters. Finally, the novel is philosophical, contemplating the value and meaning of man's actions and the virtue of respect for one's enemies. Gilbert Keith Chesterton, KC*SG (29 May 1874 - 14 June 1936), better known as G. K. Chesterton, was an English writer, poet, philosopher, dramatist, journalist, orator, lay theologian, biographer, and literary and art critic. Chesterton is often referred to as the "prince of paradox." Time magazine has observed of his writing style: "Whenever possible Chesterton made his points with popular sayings, proverbs, allegories-first carefully turning them inside out." Chesterton is well known for his fictional priest-detective Father Brown, and for his reasoned apologetics. Even some of those who disagree with him have recognised

the wide appeal of such works as *Orthodoxy* and *The Everlasting Man*. Chesterton, as a political thinker, cast aspersions on both Progressivism and Conservatism, saying, "The whole modern world has divided itself into Conservatives and Progressives. The business of Progressives is to go on making mistakes. The business of the Conservatives is to prevent the mistakes from being corrected." Chesterton routinely referred to himself as an "orthodox" Christian, and came to identify this position more and more with Catholicism, eventually converting to Catholicism from High Church Anglicanism. George Bernard Shaw, Chesterton's "friendly enemy" according to Time, said of him, "He was a man of colossal genius." Biographers have identified him as a successor to such Victorian authors as Matthew Arnold, Thomas Carlyle, Cardinal John Henry Newman, and John Ruskin. Chesterton was born in Campden Hill in Kensington, London, the son of Marie Louise, nee Grosjean, and Edward Chesterton. He was baptised at the age of one month into the Church of England, though his family themselves were irregularly practising Unitarians. According to his autobiography, as a young man Chesterton became fascinated with the occult and, along with his brother Cecil, experimented with Ouija boards."

The Napoleon of Notting Hill G. K. The ruse is taken seriously by the title character, Adam Wayne, who aims to fight to the finish to defend Notting Hill. At once humorous and absorbing, it is a fine example of Chesterton's first-rate storytelling.
