A Perfect Spy John le Carré
2018-09-27 'The best English novel since the war' Philip Roth Magnus Pym - ranking diplomat, consummate Englishman, loving husband, secret agent - has vanished. Has he defected? Gone to ground? As the hunt for Pym intensifies, the secrets of his life are revealed: the people he has loved and betrayed, the unreliable con-man father who made him, the two mentors who moulded and shaped him, and now wish to claim this perfect spy as their own.

Described by le Carré as his most autobiographical novel, *A Perfect Spy* is a devastating portrayal of a man who has played different roles for so long, he no longer knows who he is. 'Le Carré understood that espionage is an extreme version of the human comedy, even the human tragedy. *A Perfect Spy* will very likely remain his greatest book' *New Yorker*

past sixty years—the secret world itself. “[Le Carré] was often considered one of the finest novelists, period, since World War II. It’s not that he ‘transcended the genre,’ as the tired saying goes; it’s that he elevated the level of play... [Silverview’s] sense of moral ambivalence remains exquisitely calibrated.” —The New York Times Book Review Julian Lawndsley has renounced his high-flying job in the city for a simpler life running a bookshop in a small English seaside town. But only a couple of months into his new career, Julian’s evening is disrupted by a visitor. Edward, a Polish émigré living in Silverview, the big house on the edge of town, seems to know a lot about Julian’s family and is rather too interested in the inner workings of his modest new enterprise. When a letter turns up at the door of a spy chief in London warning him of a dangerous leak, the investigations lead him to this quiet

town by the sea . . . Silverview is the mesmerizing story of an encounter between innocence and experience and between public duty and private morals. In his inimitable voice John le Carré, the greatest chronicler of our age, seeks to answer the question of what we truly owe to the people we love.

The Book of Spies Anthony Burgess
2003-05-13 An anthology of the world’s best literary espionage, selected by a contemporary master of the genre, Alan Furst. Here is an extraordinary collection of work from some of the finest novelists of the twentieth century. Inspired by the politics of tyranny or war, each of these writers chose the base elements of spy fiction—highly evolved spy fiction—as the framework for a literary novel. Thus Alan Furst offers a diverse array of selections that combine raw excitement and intellectual sophistication in an expertly guided tour of the dark

world of clandestine conflict. These are not just stories of professional intelligence officers. We meet diplomats, political police, agents provocateurs, secret operatives, resistance fighters, and assassins—players in the Great Game, or victims of the Cold War. The Book of Spies brings us the aristocratic intrigues of *The Scarlet Pimpernel*, in which French émigrés duel with Robespierre's secret service; the savage political realities of the 1930s in Eric Ambler's classic *A Coffin for Dimitrios*; the ordinary citizens (well, almost) of John le Carré's *The Russia House*, who are drawn into Cold War spy games; and the 1950s Vietnam of Graham Greene's *The Quiet American*, with its portrait of American idealism and duplicity. Drawing on acknowledged classics and rediscovered treasures, Alan Furst's *The Book of Spies* delivers literate entertainment and excitement on every page.

John Le Carré, A New Collection of Three Complete Novels John Le Carré 1996 Three more great ones from this incomparable international bestseller who is regarded by many as the father of the spy novel. This hardcover trilogy features three of the masters most exciting and best-selling stories: *The Russia House*, *The Secret Pilgrim*. and *A Perfect Spy*. A perfect set-up for his millions of fans. *Reducing Crime* Jerry Ratcliffe 2018-08-06 How do I reduce crime in my police command? How do I tackle chronic crime problems? How do I address the long-term issues that have plagued my community? How do I analyze crime and criminal behaviour? How do I show evidence of success in crime reduction? What works, what doesn't, and how do we know? Providing answers to these questions and more, this engaging and accessible book offers a foundation for leadership in modern policing. Blending concepts from crime science,

environmental criminology, and the latest research in evidence-based policing, the book draws on examples from around the world to cover a range of issues such as: how to analyze crime problems and what questions to ask, why the PANDA model is your key to crime reduction, key features of criminal behavior relevant to police commanders, the current research on what works in police crime prevention, why to set up systems to avoid surprises and monitor crime patterns, how to develop evidence of your effectiveness, forming a crime reduction plan, tracking progress, and finally, how to make a wider contribution to the policing field. Crammed with useful tips, checklists and advice including first-person perspectives from police practitioners, case studies and chapter summaries, this book is essential reading both for police professionals taking leadership

courses and promotion exams, and for students engaged with police administration and community safety. The Russia House John le Carré 2020-03-05 Barley Blair is not a Service man- he is a small-time publisher, a self-destructive soul whose only loves are whisky and jazz. Nearly a

year later, his drunken promise returns to haunt him. A reluctant Barley is quickly trained by British Intelligence and sent to Moscow to liaise with a go-between, the beautiful Katya. Both are lonely and disillusioned. Each is increasingly certain that if the human race is to have any future, all must betray their countries ... In his first post-glasnost spy novel, le Carré captures the effect of a slow and uncertain thaw on ordinary people and on the shadowy puppet-masters who command them.

Understanding John Le Carré John L. Cobbs 1998 John Cobbs establishes that contemporary English novelist John le Carre's fiction transcends the genre of espionage, and that le Carre is preeminently a social commentator who writes novels of manners. Cobbs analyzes each of le Carre's novels and offers a biographical sketch, describing le Carre's often overlooked academic

success and reputation as a once member of British Intelligence.

Its purpose: to capture and abduct a high-value

So delicate is the operation that even the Minister's personal private secretary, Toby Bell, is not cleared for it. Three years later, a disgraced Special Forces Soldier delivers a message from the dead. Was Operation Wildlife the success it was cracked up to be--or a human tragedy that was ruthlessly covered up? Summoned by Sir Christopher "Kit" Probyn, retired British diplomat, to his decaying Cornish manor house, and closely observed by Kit's daughter, Emily, Toby must choose between his conscience and duty to his Service. If the only thing necessary for the triumph of evil is that good men do nothing, how can he keep silent?

The New Confessions William Boyd
2011-03-30 In this extraordinary novel, William Boyd presents the autobiography of John James Todd, whose uncanny and exhilarating life as one of the most unappreciated geniuses of the twentieth century is equal parts Laurence Stern, Charles Dickens, Robertson Davies, and Saul

Bellow, and a hundred percent William Boyd. From his birth in 1899, Todd was doomed. Emerging from his angst-filled childhood, he rushes into the throes of the twentieth century on the Western Front during the Great War, and quickly changes his role on the battlefield from cannon fodder to cameraman. When he becomes a prisoner of war, he discovers Rousseau's Confessions, and dedicates his life to bringing the memoir to the silver screen. Plagued by bad luck and blind ambition, Todd becomes a celebrated London upstart, a Weimar luminary, and finally a disgruntled director of cowboy movies and the eleventh member of the Hollywood Ten. Ambitious and entertaining, Boyd has invented a most irresistible hero.

Hiddleston and Hugh Laurie. From his years serving in British Intelligence during the Cold War, to a career as a writer that took him from war-torn Cambodia to Beirut on the cusp of the 1982 Israeli invasion to Russia before and after the collapse of the Berlin Wall, le Carré has always written from the heart of modern times. In this, his first memoir, le Carré is as funny as he is incisive, reading into the events he witnesses the same moral ambiguity with which he imbues his novels. Whether he's writing about the parrot at a Beirut hotel that could perfectly mimic machine gun fire or the opening bars of Beethoven's Fifth; visiting Rwanda's museums of the unburied dead in the aftermath of the genocide; celebrating New Year's Eve 1982 with Yasser Arafat and his high command; interviewing a German woman terrorist in her desert prison in the Negev; listening to the wisdoms of the great physicist, dissident, and Nobel Prize

winner Andrei Sakharov; meeting with two former heads of the KGB; watching Alec Guinness prepare for his role as George Smiley in the legendary BBC TV adaptations of *Tinker, Tailor, Soldier, Spy* and *Smiley's People*; or describing the female aid worker who inspired the main character in *The Constant Gardener*, le Carré endows each happening with vividness and humor, now making us laugh out loud, now inviting us to think anew about events and people we believed we understood. Best of all, le Carré gives us a glimpse of a writer's journey over more than six decades, and his own hunt for the human spark that has given so much life and heart to his fictional characters.
