Desperate to broker peace, Anders enlists the help of a few new flame-breathing friends to stop the wolves' next plan of attack. Aurora's End Amie Kaufman 2021-11-09 The squad you love is out of time. Prepare for the thrilling finale in the epic, bestselling Aurora Cycle series about a band of unlikely heroes who just might be the galaxy's last hope for survival. Is this the end? What happens when you ask a bunch of losers, discipline cases and misfits to save the galaxy from an ancient evil? The ancient evil wins, of course. Wait . . . Not. So. Fast. When we last saw Squad 312, they were working together seamlessly (aka, freaking out) as an intergalactic battle raged and an ancient superweapon threatened to obliterate Earth. Everything went horribly wrong, naturally.

But as it turns out, not all endings are endings, and the team has one last chance to rewrite theirs. Maybe two. It's complicated. Cue Zila, Fin and Scarlett (and Magellan!) making friends, making enemies and making history? Sure, no problem. Cue Tyler, Kal and Auri joining forces with two of the galaxy's most hated villains? Um, okay, yeah. That too. Actually saving the galaxy, though? Now that will take a miracle.

The Undying's advanced technology has the potential to undo massive environmental damage and turn lives around, and Gaia, the Undying's former home planet, is a treasure trove waiting to be uncovered. For Jules Addison and his fellow scholars, the discovery of an alien culture offers unprecedented opportunity for study... as long as scavengers like Amelia Radcliffe don't loot everything first. Beset by rival scavenger gangs, Jules and Amelia form a fragile alliance... but both are keeping secrets that make trust nearly impossible. As they race to decode the ancient messages left by the alien race, Jules and Amelia must navigate the traps and trials within the Undying temple and stay one step ahead of the scavvers on their heels. They came to Gaia certain that they had far more to fear from their fellow humans than the ancient beings whose mysteries they're trying to unravel. But the more they learn about the Undying, the more Jules and Amelia start to feel like their presence in the temple is part of a grand design - one that could spell the end of the human race...
