PROCESSING INSPECTORS' CALCULATIONS HANDBOOK

Handbook is intended primarily as a reference or aid to learning how to perform various calculations. It should also help provide insight into the reason why a given policy is needed and its relative importance in a science-based food safety program. The Handbook is divided into chapters which cover specific subjects and calculation types.

The Evergreen Author

Cover design by Brigid Pearson Interior layout and typesetting by Paul Nylander ... I started following and learning from people in technology and e-commerce who were sell-ing things online (and hugely successful doing so) to learn how to sell my book. What I learned from my deep dive into e-commerce is that there's a formula for selling ...
