This book provides a high-yield review of the pathophysiology, diagnosis, lab analysis, treatments and more. Includes beautifully designed color teaching images for visual learners. Organized so you can add your own notes. Easy to take with you to class, a cafe, or library. The content in the Rapid Review book series is different from the content in the Rosh Qbank. Nonetheless, the Rapid Review book series serves as a perfect companion to the Rosh Qbank. Learning and education is a dynamic process, one that is never ending. Once we commit to a life in medicine, we commit to a life of learning. The Rosh Rapid Review book series is best suited to serve as an adjunct to your medical education. It is not meant as a primary source, rather it should help you organize your thoughts and provide ancillary knowledge for a more robust education. We are counting on you to not just regurgitate facts, but rather, paraphrasing Dr. Elizabeth Blackburn, to learn how it all works. We are privileged to be in the role of caretaker and thus have a responsibility to our patients to be the most knowledgeable we can be. Use this book on your learning journey. At some point, you will grow out of it. But in the meantime, we hope the hard work by the dedicated Rosh Review team can play just a small role in helping you reach your goals and achieve your dreams.

Don "The Snake" Prudhomme: My Life Beyond the 1320 Elana Scherr 2020-10-16 Don "The Snake" Prudhomme reveals for the first time ever his incredible life and career on and off of the drag strip.

Imagine spending a year with Don "The Snake" Prudhomme, having coffee together and talking about his life, his racing, his friends, and his family. He'd tell you about how he rose from being a high school drop-out who was painting cars to a respected Top Fuel dragster driver and successful businessman. You'd hear how he toured the country with Tommy Ivo and "The Hawaiian" Roland Leong, racing all the legends from "Big Daddy" Don Garlits to "The Golden Greek" [Chris] Karamesines. He'd say how he met Tom McEwen and recall how they became the Snake and the Mongoose, leading to a career in Funny Cars that netted him four championships in a row. He'd talk about the thrill of first wins and owning his own teams but also the struggles of bad seasons, crashes and fires, broken parts, and broken contracts. Along the way, he'd speak about the people in his life, such as engine-builder Keith Black and NHRA president Wally Parks, and those who were killed in the wild and unpredictable sport of nitro racing. It wouldn't be only racing, though. Prudhomme would share lessons he learned about business and life from such varied sources as a neighbor in Granada Hills to Ford GT40 driver Dan Gurney. He also would talk about the importance of family: how his wife, Lynn, and daughter, Donna, changed his world and how finding out about his African-American roots opened his eyes to a culture and inheritance he'd always wanted. This is the experience you'll get in Don "The Snake" Prudhomme: My Life Beyond the 1320.
