Surfacing Margaret Atwood 2012-06-28 By the author of *The Handmaid's Tale* and *Alias Grace* 'One of the most important novels of the 20th century . . . utterly remarkable' New York Times A young woman returns to northern Quebec to the remote island of her childhood, with her lover and two friends, to investigate the mysterious disappearance of her father. Flooded with memories, she begins to realise that going home means entering not only another place but another time. As the wild island exerts its elemental hold and she is submerged in the language of the wilderness, she sees that what she is really looking for is her own past.

A Pair of Blue Eyes Thomas Hardy 2016-01-01 Chapter I 'A fair vestal, throned in the west' Elfride Swancourt was a girl whose emotions lay very near the surface. Their nature more precisely, and as modified by the creeping hours of time, was known only to those who watched the circumstances of her history. Personally, she was the combination of very interesting particulars, whose rarity, however, lay in the combination itself rather than in the individual elements combined. As a matter of fact, you did not see the form and substance

of her features when conversing with her; and this charming power of preventing a material study of her lineaments by an interlocutor, originated not in the cloaking effect of a well-formed manner (for her manner was childish and scarcely formed), but in the attractive crudeness of the remarks themselves. She had lived all her life in retirement—the monstrari gigitto of idle men had not flattered her, and at the age of nineteen or twenty she was no further on in social consciousness than an urban young lady of fifteen. One point in her, however, you did notice: that was her eyes. In them was seen a sublimation of all of her; it was not necessary to look further: there she lived. These eyes were blue; blue as autumn distance—blue as the blue we see between the retreating mouldings of hills and woody slopes on a sunny September morning. A misty and shady blue, that had no beginning or surface, and was looked INTO rather than AT. As to her presence, it was not powerful; it was weak. Some women can make their personality pervade the atmosphere of a whole banqueting hall; Elfride's was no more pervasive than that of a kitten. Elfride had as her own the thoughtfulness which appears in the face of the Madonna della Sedia, without its rapture: the warmth and spirit of the type of woman's feature most common to the beauties—mortal and immortal—of Rubens, without their insistent fleshiness. The characteristic expression of the female faces of Correggio—that of the yearning human thoughts that lie too deep for tears—was hers sometimes, but seldom under ordinary conditions.

14 Years Solved Papers NEET 2022 Arihant Experts 2021-11-25 1. 14 Years' Solved Papers is collection of previous years solved papers of NEET 2. This book covers all CBSE AIPMT and NTA NEET papers 3. The book is also helpful for PGT Commerce examination. This is an attempt to clarify the theoretical concept and provide practical problem solving aptitude to crack the objective type examinations.

India Before Europe Catherine B. Asher 2006-03-16 India is a land of enormous diversity. Cross-cultural influences are everywhere in evidence, in the food people eat, the clothes they wear, and in the places they worship. This was especially the case in the India that existed from 1200 to 1750, before the European intervention. The book takes the reader on a journey across the political, economic, religious and cultural landscapes of medieval India, from the Ghurid conquests and the Dehli Sultanate to the great court of the Mughals. This was a time of conquest and consolidation, when Muslims and Hindus came together to create a unique culture which still resonates in today's India. As the first survey of its kind in over a decade, the book is a tour de force. It is beautifully illustrated and fluently composed, with a cast of characters which will educate students and general readers alike.

Annual Report for the Year ... India. University Grants Commission 2013

As for Me and My House Sinclair Ross 2018-01-09 "It's an immense night out there, wheeling and windy. The lights on the street and in the houses against the black wetness, little unilluminating glints that might be painted on it. The town seems huddled together, cowering on a high tiny perch, afraid to move lest it topple into the wind." The town is Horizon, the setting of Sinclair Ross' brilliant classic study of life in the Depression era. Hailed by critics as one of Canada's great novels, *As For Me and My House* takes the form of a journal. The unnamed diarist, one of the most complex and arresting characters in contemporary fiction, explores the bittersweet nature of human relationships, of the unspoken bonds that tie people together, and the undercurrents of feeling that often tear them apart. Her chronicle creates an intense atmosphere, rich with observed detail and natural imagery. *As For Me and My House* is a landmark work. It is essential reading for anyone who seeks to understand the scope and power of the Canadian novel.
