Return to Earth Buzz Aldrin 2015-12-15 Apollo 11 astronaut Buzz Aldrin's courageous, candid memoir of his return to Earth after the historic moon landing and his personal struggle with fame and depression. "We landed with all the grace of a freight elevator," Buzz Aldrin relates in the opening passages of Return to Earth, remembering Command Module Columbia's abrupt descent into the gravity of the blue planet. With that splash, Aldrin takes readers on a journey through the human side of the space program, as one of the first two men to land on the moon learns to cope with the pressures of his new public persona. In honest and compelling prose, Aldrin reveals a side of instant fame for which West Point and NASA could never have prepared him. One day a fighter pilot and engineer, the next a cultural hero burdened with the adoration of thousands, Aldrin gives a poignant account of the affair that threatened his marriage, as well as his descent into alcoholism and depression that resulted from trying to be too many things to too many people. He didn't realize that when he landed on his home planet his odyssey had just begun. As Aldrin puts it, "I traveled to the moon, but the most significant voyage of my life began when I returned from where no man had been before." Return to Earth is a powerful and moving memoir that exposes the stresses suffered by those in the Apollo program and the price Buzz Aldrin paid when he became an American icon.

GCSE Film Studies for WJEC Julie Patrick 2008-06 Shows what examiners are looking for in the GCSE coursework and in the exam. This resource provides coverage of the specification so that teachers can deliver the course with confidence and students can approach assessment fully prepared. Heroes Robert Cormier 2013-03-19 Francis Joseph Cassavant is 18. He has just returned home from the Second World War, and he has no face. He does have a gun and a mission: to murder his childhood hero. Francis lost most of his face when he fell on a grenade in France. He received the Silver Star for bravery, but was it really an act of heroism? Now, having survived, he is looking for a man he once admired and respected, a man adored by many people, a man who also received a Silver Star for bravery. A man who destroyed Francis's life.

2012 GCSE English results Great Britain: Parliament: House of Commons: Education Committee

2013-06-11 The 2012 GCSE English results prompted significant controversy, which ultimately resulted in an application for judicial review. This report sets out the background to these events and identifies lessons to be learned. The problems with GCSE English can be traced back to the 2007-09 development phase of the qualification- in particular the turbulence which resulted from the shift away from a mostly linear to a modular system, combined with a high proportion of controlled assessment and generous marking tolerances. Exam board experts raised concerns at the time, but these were not acted upon by the regulator (the then-interim Ofqual). Further difficulties arose because of pressures from the school accountability system. The problems experienced with GCSE English in 2012 highlighted serious weaknesses in the moderation of speaking and listening, with consequences for grade awarding. The current status of Ofqual, as an independent regulator accountable to Parliament, is the right one. However, the Coalition Government is bringing in wholesale changes to GCSEs and A levels, to a tight timetable and at the same time. Ofqual must have systems in place. The Committee is also concerned that there is a rush towards separate exam systems for England, Wales and Northern Ireland, without careful reflection on what might be lost, or consensus that this is the right thing to do.

WJEC GCSE Food and Nutrition Helen Buckland 2016-06-27 Exam Board: WJEC Level: GCSE Subject: Food & Nutrition First Teaching: September 2016 First Exam: June 2018 Engage your students in all aspects of food and nutrition, improve their practical food preparation skills and prepare them for assessment with this book written specifically for the new WJEC Food and Nutrition GCSE for Wales. WJEC Eduqas GCSE English Language Practice Papers Workbook Natalie Simpson 2021-02 This workbook provides an active approach to exam practice with a clear three-step focus on understanding the question, unpicking the mark scheme and improving student answers.

How to Read Texts Neil McCaw 2013-09-26 Now in its second edition, How to Read Texts introduces students to key critical approaches to literary texts and offers a practical introduction for students developing their own critical and close-reading skills. Written in a lively, jargon-free style, it explains critical concepts, approaches and ideas including: - Debates around critical theory - The role of history and context - The links between creativity and criticism - The relationship between author, reader and text. The new edition now includes guidance on analysing a range of multi-media texts, including film and online media as well as the purely literary. In addition to new practical examples, readings, exercises and 'checkpoints' that help students to build confidence in their own critical readings of both primary and secondary texts, the book now also offers guidance on writing fully-formed critical essays and tips for independent research. Comprehensively updated and revised throughout, How to Read Texts is an indispensable guide for students making the transition to university study.
