Fuzzy Nation John Scalzi
2011-05-10 From New York Times bestseller and Hugo Award-winner John Scalzi, an extraordinary retelling of the SF classic Little Fuzzy ZaraCorp holds the right to extract unlimited resources from the verdant planet Zarathustra—as long as the planet is certifiably free of native sentients. So when an outback prospector discovers a

species of small, appealing bipeds who might well turn out to be intelligent, language-using beings, it's a race to stop the corporation from "eliminating the problem," which is to say, eliminating the Fuzzies—wide-eyed and ridiculously cute small, and furry—who are as much people as we are. Charles Boutin, who unfortunately knows the CDF's biggest military secrets. And to prevail against this alliance, they must find out why Boutin did what he did. Jared Dirac is the only human able to provide answers, being a superhuman hybrid created from Boutin's own DNA. Jared's brain should therefore be able to access Boutin's electronic memories ... but when that appears to fail, Jared is instead passed on to the Ghost Brigades. Then, just as time is running out, Boutin's memories slowly begin to surface within him ... but all this while the enemy is planning something much worse for mankind than just military defeat. Scalzi takes readers on an epic romp of galactic conquest and exploration in the Old Man's War series. This box set includes: Old Man's War, The Ghost Brigades, and The Last Colony Earth itself is a backwater. The bulk of humanity's resources are in the hands of the Colonial Defense Force, which shields the home planet from too much knowledge of the situation. What's known to everybody is that when you reach retirement age, you can join the CDF. They don't want young people; they want people who carry the knowledge and skills of decades of living. Old Man's War John Perry did two things on his 75th birthday. First he visited his wife's grave. Then he joined the army, with only the vaguest idea what to expect. Because the actual fight is far more difficult than he can imagine—and what he will become is far stranger. The Ghost Brigades At first, Jared is a perfect soldier, but as another

man's memories slowly surface, Jared begins to intuit the reasons for their betrayal. Time is running out: The alliance is preparing its offensive, and some of them plan worse things than humanity's mere military defeat. The Last Colony Retired from his fighting days, John Perry and his wife, Jane, are pulled back into the political arena, and into the thick of interstellar politics, betrayal, and war. diplomat creates an interstellar incident when he kills an alien diplomat in a most . . . unusual . . . way. To avoid war, Earth's government must find an equally unusual object: a type of sheep ("The Android's Dream"), used in the alien race's coronation ceremony. To find the sheep, the government turns to Harry Creek, ex-cop, war hero and hacker extraordinaire, who, with the help of a childhood friend turned artificial intelligence, scours the earth looking for the rare creature. But there are others with plans for the sheep as well. Mercenaries employed by the military. Adherents of a secret religion based on the writings of a 21st century SF author. And alien races, eager to start a revolution on their home world and a war on Earth. To keep our planet from being enslaved, Harry will have to pull off a grand diplomatic coup, a gambit that will take him from the halls of power to the lava-

strewn battlefields of alien worlds. There's only one chance to get it right, to save the life of the sheep—and to protect the future of humanity. Redshirts John Scalzi 2013-01-15
Ensign Andrew Dahl has just been assigned to the Universal Union Capital Ship Intrepid, flagship of the Universal Union since the year 2456. It's a prestige posting, with the chance to serve on "Away Missions" alongside the

starship's famous senior officers. Life couldn't be better...until Andrew begins to realize that 1) every Away Mission involves a lethal confrontation with alien forces, 2) the ship's senior officers always survive these confrontations, and 3) sadly, at least one low-ranking crew member is invariably killed. Unsurprisingly, the savvier crew members below decks avoid Away Missions at all costs. Then Andrew stumbles on information that transforms his and his colleagues' understanding of what the starship Intrepid really is...and offers them a crazy, high-risk chance to save their own lives. Redshirts by John Scalzi is the winner of the 2013 Hugo Award for Best Novel.

The Android's Dream John Scalzi
2022-08-04 From New York Times bestseller and Hugo Award-winner John Scalzi, *The Android's Dream* is a wild-and-woolly caper novel of interstellar diplomacy. 'The Android's Dream

is just the right gene-splicing of fast action and furious comedy SF has been needing for ages' – SFF180 When a human kills an alien during diplomatic negotiations, the fall-out is astronomical. To prevent interstellar war, humanity must deliver an extremely rare sheep for the aliens' coronation ceremony – or face enslavement. So Earth's government turns to Harry Creek: ex-cop, war hero and hacker extraordinaire. It should be a straightforward mission, but there are others who covet the priceless animal. Ruthless mercenaries, a religious cult, and alien races eager to spark revolution. Harry's mission will take him across the galaxy, as he tries to pull off the grand diplomatic coup of the century. There'll only be one chance to save the life of the sheep – and ensure the future of humanity. Praise for John Scalzi: 'John Scalzi is the most entertaining, accessible writer working in SF

today' – Joe Hill 'Scalzi is one of the slickest writers that SF has ever produced' – Wall Street Journal

Lock In John Scalzi 2015-08-04 A blazingly inventive near-future thriller from the best-selling, Hugo Award-winning John Scalzi. Not too long from today, a new, highly contagious virus makes its way across the globe. Most who get sick experience nothing worse than flu, fever and headaches. But for the unlucky one percent - and nearly five million souls in the United States alone - the disease causes "Lock In": Victims fully awake and aware, but unable to move or respond to stimulus. The disease affects young, old, rich, poor, people of every color and creed. The world changes to meet the challenge. A quarter of a century later, in a world shaped by what's now known as "Haden's syndrome," rookie FBI agent Chris Shane is paired with veteran agent Leslie Vann. The

two of them are assigned what appears to be a Haden-related murder at the Watergate Hotel, with a suspect who is an "integrator" - someone who can let the locked in borrow their bodies for a time. If the Integrator was carrying a Haden client, then naming the suspect for the murder becomes that much more complicated. But "complicated" doesn't begin to describe it. As Shane and Vann began to unravel the threads of the murder, it becomes clear that the real mystery - and the real crime - is bigger than anyone could have imagined. The world of the locked in is changing, and with the change comes opportunities that the ambitious will seize at any cost. The investigation that began as a murder case takes Shane and Vann from the halls of corporate power to the virtual spaces of the locked in, and to the very heart of an emerging, surprising new human culture. It's nothing you could have

expected.

Old Man's War John Scalzi

2005-12-27 John Perry did two things on his 75th birthday. First he visited his wife's grave. Then

he joined the army. The good news is that humanity finally made it into interstellar space. The bad news is that planets fit to live on are scarce—and alien races willing to fight us for them are common. So: we fight. To defend Earth, and to stake our own claim to planetary real estate. Far from Earth, the war has been going on for decades: brutal, bloody, unyielding. Earth itself is a backwater. The bulk of humanity's resources are in the hands of the Colonial Defense Force. Everybody knows that when you reach retirement age, you can join the CDF. They don't want young people; they want people who carry the knowledge and skills of decades of living. You'll be taken off Earth and never allowed to return. You'll serve two years at the front. And if you survive, you'll be given a generous homestead stake of your own, on one of our hard-won colony planets. John Perry is taking that deal. He has only

The Lost Fleet: Dauntless Jack Campbell 2006-06-27 Captain John "Black Jack" Geary's legendary exploits are known to every schoolchild. Revered for his heroic "last stand" in the early days of the war, he was presumed dead. But a century later, Geary miraculously returns from survival hibernation and reluctantly takes command of the Alliance Fleet as it faces

annihilation by the Syndic. Appalled by the hero-worship around him, Geary is nevertheless a man who will do his duty. And he knows that bringing the stolen Syndic hypernet key safely home is the Alliance's one chance to win the war. But to do that, Geary will have to live up to the impossibly heroic "Black Jack" legend...

2014-12-15 Hard-core science fiction at its very best, John Scalzi's The Human Division is the fifth in The Old Man's War series. Lieutenant Harry Wilson has an impossible mission. He must help preserve the union of humanity's colonies, in the wake of a terrible revelation. For years the Colonial Union has protected its citizens from the dangerous universe around them. But the people of Earth now know the ugly truth. The Union

deliberately kept Earth as an ignorant backwater – and as a source of recruits for its war against hostile aliens. Now, other alien races have formed a new alliance against the Union. And they've invited the incensed people of Earth to join them. Managing the Colonial Union's survival will take all the political cunning and finesse its diplomats can muster. And Harry and his team will be deployed to deal with the unexpected – for failure is unthinkable. Continue the gripping space war series with The End of All Things.

The Interdependency—humanity’s interstellar empire—is on the verge of collapse. The extra-dimensional conduit that makes travel between the stars possible is disappearing, leaving entire systems and human civilizations stranded. Emperox Grayland II of the Interdependency is ready to take desperate measures to help ensure the survival of billions. But arrayed before her are those who believe the collapse of the Flow is a myth—or at the very least an opportunity to an ascension to power. While Grayland prepares for disaster, others are prepare for a civil war.

A war that will take place in the halls of power, the markets of business and the altars of worship as much as it will between spaceships and battlefields. The Emperox and her allies are smart and resourceful, as are her enemies. Nothing about this will be easy... and all of humanity will be caught in its consuming fire.

Your Hate Mail Will Be Graded

John Scalzi 2010-01-05 On September 13, 1998, John Scalzi sat down in front of his computer to write the first entry in his blog Whatever--and changed the history of the Internet as we know it today. What, you're not swallowing that one? Okay, fine: He started writing Whatever and amused about 15 people that first day. If that many. But he kept at it, for ten years and running. Now 40,000 people drop by on a daily basis to see what he's got to say. About what? Well, about whatever: Politics, writing, family, war, popular culture and cats (especially with bacon on them). Sometimes he's funny. Sometimes he's serious (mostly he's sarcastic). Sometimes people agree with him. Sometimes they send him hate mail, which he grades on originality and sends back. Along the way, Scalzi's become a best-

Zoe's Tale John Scalzi 2011-02-23
Hard-core, fast paced science fiction, John Scalzi's *Zoe's Tale* is the fourth in The Old Man's War series. She won't go down without a fight. It's not every day you up sticks and move to another world. But then, Zoë Boutin-Perry's life has never been ordinary. She's the adopted teenage daughter of two former super-soldiers. She's also a holy icon to a race of alien warriors who track her every move. So she's used to the quirks of being a human in space. However, this time something's different. Betrayed by the authorities, Zoë – along with her parents and fellow colonists - finds herself stranded on a deadly pioneer planet. The Colonial Union has also set them up as a target for hostile alien action. Zoë must become a player (and a pawn) in an interstellar battle, which will determine the fate of humanity. Her father's side of this story was told in *The Last Colony*, but *Zoe's*

Tale reveals a whole new dimension. It's a story you may think you know, but you don't really know it at all. Continue the gripping space war series with *The Human Division*. 'John Scalzi is the most entertaining, accessible writer working in SF today' – Joe Hill, author of *The Fireman*

the empire's rulers, a system of control. The Flow is eternal—but it's not static. Just as a river changes course, The Flow changes as well. In rare cases, entire worlds have been cut off from the rest of humanity. When it's discovered that the entire Flow is moving, possibly separating all human worlds from one another forever, three individuals—a scientist, a starship captain, and the emperox of the Interdependency—must race against time to discover what, if anything, can be salvaged from an interstellar empire on the brink of collapse. "Fans of Game of Thrones and Dune will enjoy this bawdy, brutal, and brilliant political adventure" —Booklist on The Collapsing Empire "Political plotting, plenty of snark, puzzle-solving, and a healthy dose of action...Scalzi continues to be almost insufferably good at his brand of fun but think-y sci-fi adventure." —Kirkus Reviews on The Collapsing Empire "Scalzi

The Human Division John Scalzi 2014-02-25 Following the events of The Last Colony, John Scalzi tells the story of the fight to maintain the unity of the human race. The people of Earth now know that the human Colonial Union has kept them ignorant of the dangerous universe around them. For generations the CU had defended humanity against hostile aliens, deliberately keeping Earth an ignorant backwater and a source of military recruits. Now the CU's secrets are known to all. Other alien races have come on the scene and formed a new

alliance—an alliance against the Colonial Union. And they've invited the people of Earth to join them. For a shaken and betrayed Earth, the choice isn't obvious or easy. Against such possibilities, managing the survival of the Colonial Union won't be easy, either. It will take diplomatic finesse, political cunning...and a brilliant "B Team," centered on the resourceful Lieutenant Harry Wilson, that can be deployed to deal with the unpredictable and unexpected things the universe throws at you when you're struggling to preserve the unity of the human race. Being published online from January to April 2013 as a three-month digital serial, *The Human Division* will appear as a full-length novel of the *Old Man's War* universe, plus—for the first time in print—the first tale of Lieutenant Harry Wilson, and a coda that wasn't part of the digital serialization.

After the Coup John Scalzi

2010-07-20 In a universe of harsh interstellar conflict, the practice of interspecies diplomacy—when possible—is important. So being a Colonial Union officer attached to an interplanetary diplomatic mission sometimes means taking a fall. Literally. John Scalzi's *Old Man's War* was one of the most popular SF debut novels of the last decade; its sequels are *The Ghost Brigades*, *The Last Colony*, and *Zoe's Tale*. Other novels include *The Android's Dream* and *Agent to the Stars*. His collection of material from his weblog *The Whatever, Your Hate Mail Will Be Graded*, won the Hugo Award in 2009. He won the John W. Campbell Award for Best New Writer in 2006, and was elected President of the Science Fiction Writers of America in 2010. The Ghost Brigades John Scalzi
2008-08-28 The military science fiction sequel to his extraordinary Old Man's War, John Scalzi's The Ghost Brigades is the second in The Old Man's War series. Who can you trust, if you can't trust yourself? Three hostile alien races have united against humanity, determined to halt our expansion into space. The mastermind behind this lethal alliance is a traitor – Charles Boutin. He was a Colonial Defence Force scientist, with access to their biggest military secrets. Now the CDF's only hope is to discover Boutin's plan. Trouble is, Boutin's dead. As a super-soldier created from Boutin's own DNA, Jared Dirac may have answers. However, when Dirac fails to access the scientist's memories, he's transferred to the Ghost Brigades for training. These elite troops are also cloned from the dead, so he might fit in. But will Dirac's memory return as the enemy

plots the fate of humankind? And whose side is Dirac really on?

The Human Division #2: Walk the Plank John Scalzi 2013-01-22

The second episode of The Human Division, John Scalzi's new thirteen-episode novel in the world of his bestselling Old Man's War. Beginning on January 15, 2013, a new episode of The Human Division will appear in e-book form every Tuesday. Wildcat colonies are illegal, unauthorized and secret—so when an injured stranger shows up at the wildcat colony New Seattle, the colony leaders are understandably suspicious of who he is and what he represents. His story of how he's come to their colony is shocking, surprising, and might have bigger consequences than anyone could have expected. The Last Colony John Scalzi
2010-11-23 Hard-core military science fiction at its very best, John Scalzi's *The Last Colony* is the third in *The Old Man's War* series. They must save themselves – or die trying. John Perry was living peacefully on one of humanity's colonies – until he and his wife were offered an opportunity these ex-supersoldiers couldn't resist. To come out of retirement and lead a new frontier world. However, once on the planet, they discover they've been betrayed. For this colony is a pawn in an interstellar game of war and diplomacy. Humanity's Colonial Union has pitched itself against a new, seemingly unstoppable alien alliance, dedicated to ending all human colonization. As this contest rages above, Perry struggles to keep his terrified colonists alive on the surface below – despite dangerous

interstellar politics, violence and treachery. And the planet has yet to reveal its own fatal secrets.

Old Man's War Series John Scalzi
2016-12-27 This discounted ebook bundle includes: *Old Man's War*, *The Ghost Brigades*, *The Last Colony*, *Zoe's Tale*, *The Human Division*, *The End of All Things* New York Times bestselling author John Scalzi takes you on an epic romp of galactic conquest and exploration, with some laughs along the way. "Gripping and surpassingly original." —Cory Doctorow *Earth* itself is a backwater. The bulk of humanity's resources are in the hands of the Colonial Defense Force, which shields the home planet from too much knowledge of the situation. What's known to everybody is that when you reach retirement age, you can join the CDF. They don't want young people; they want people who carry the knowledge and

skills of decades of living. You'll be taken off Earth and never allowed to return. You'll serve your time at the front. And if you survive, you'll be given a generous homestead stake of your own, on one of our hard-won colony planets. *Old Man's War* — John Perry did two things on his 75th birthday. First he visited his wife's grave. Then he joined the army, with only the vaguest idea what to expect. Because the actual fight is far more difficult than he can imagine—and what he will become is far stranger. *The Ghost Brigades* — At first, Jared is a perfect soldier, but as another man's memories slowly surface, Jared begins to intuit the reasons for their betrayal. Time is running out: The alliance is preparing its offensive, and some of them plan worse things than humanity's mere military defeat. *The Last Colony* — Retired from his fighting days, John Perry and his wife, Jane, are pulled back

into the political arena, and into the thick of interstellar politics, betrayal, and war. *Zoe's Tale* — Zoe Boutin Perry: A colonist stranded on a deadly pioneer world. Holy icon to a race of aliens. A player (and a pawn) in an interstellar chess match to save humanity, or to see it fall. *Witness to history. Friend. Daughter. Human.* Seventeen years old. *The Human Division* — The CU's secrets are known to all. Other alien races have come on the scene and formed a new alliance—an alliance against the Colonial Union. And they've invited the people of Earth to join them. For a shaken and betrayed Earth, the choice isn't obvious or easy. *The End of All Things* — CDF Lieutenant Harry Wilson and the Colonial Union diplomats he works with race against the clock to discover who is behind attacks on the Union and on alien races, to seek peace with a suspicious, angry Earth, and keep humanity's union

intact...or else risk oblivion, and extinction—and the end of all things. Agent to the Stars John Scalzi 2008-10-28 From New York Times bestseller and Hugo Award-winner, John Scalzi, a gleeful mash-up of science fiction and Hollywood satire The space-faring Yherajk have come to Earth to meet us and to begin humanity's first interstellar friendship. There's just one problem: They're hideously ugly and they smell like rotting fish.

zoes-tale-old-mans-war-4-john-scalzi

So getting humanity's trust is a challenge. The Yherajk need someone who can help them close the deal. Enter Thomas Stein, who knows something about closing deals. He's one of Hollywood's hottest young agents. But although Stein may have just concluded the biggest deal of his career, it's quite another thing to negotiate for an entire alien race. To earn his percentage this time, he's going to need all the smarts, skills, and wits he can muster. The End of All Things: Old

Man's War Book 6 John Scalzi

2015-09-01 Humans expanded into space, discovering multiple alien species. But these were enemies not allies, their forces were bent on our destruction. Thus was the Colonial Union formed, to protect us from a hostile universe. And Earth's excess population became its colonists and soldiers. It was a good arrangement - for the Colonial Union. Then the Earth said no more. Now the Colonial Union is living on borrowed time before its defence forces are fatally depleted. Then struggling human colonies will be vulnerable, easy prey for alien species eager for humanity's ruin. And there's another problem. A group lurks in the darkness of space, playing human and alien factions against one another. They'll even target their own kind and their reasons are

unfathomable. In this collapsing universe, Lieutenant Harry Wilson and Colonial Union diplomats race to discover who's behind these attacks. They must also seek peace with an angry Earth, and keep humanity's union intact. The alternatives are oblivion, extinction - and the end of all things. PRAISE FOR THE OLD MAN'S WAR SERIES

Wool Hugh Howey 2020 The first book in the acclaimed, New York Times best-selling trilogy, Wool is the story of a community living in an underground silo completely unaware of the fate of the outside world. When the silo's sheriff asks to leave the silo, a series of events unravels the very fabric of their fragile lives. In a world where all commodities are precious and running out, truth and hope may be the most rare...and the most

needed.

The Ghost Brigades John Scalzi
2007-04-01 The Ghost Brigades are the Special Forces of the Colonial Defense Forces, elite troops created from the DNA of the dead and turned into the perfect soldiers for the CDF's toughest operations. They're young, they're fast and strong, and they're totally without normal human qualms. The universe is a dangerous place for humanity—and it's about to become far more dangerous. Three races that humans have clashed with before have allied to halt our expansion into space. Their linchpin: the turncoat military scientist Charles Boutin, who knows the CDF's biggest military secrets. To prevail, the CDF must find out why Boutin did what he did. Jared Dirac is the only human who can provide answers -- a superhuman hybrid, created from Boutin's DNA, Jared's brain should be able to access Boutin's electronic

memories. But when the memory transplant appears to fail, Jared is given to the Ghost Brigades. At first, Jared is a perfect soldier, but as Boutin's memories slowly surface, Jared begins to intuit the reason's for Boutin's betrayal. As Jared desperately hunts for his "father," he must also come to grips with his own choices. Time is running out: The alliance is preparing its offensive, and some of them plan worse things than humanity's mere military defeat...
