The End of All Things John Scalzi
2015-08-11 Hugo-award winning author,
John Scalzi returns to his best-selling Old Man's War universe with The End of All Things, the direct

sequel to 2013's The Human Division Humans expanded into space...only to find a universe populated with multiple alien species bent on their destruction. Thus was the Colonial Union formed, to help protect us from

a hostile universe. The Colonial Union used the Earth and its excess population for colonists and soldiers. It was a good arrangement...for the Colonial Union. Then the Earth said: no more. Now the Colonial Union is living on borrowed time-a couple of decades at most, before the ranks of the Colonial Defense Forces are depleted and the struggling human colonies are vulnerable to the alien species who have been waiting for the first sign of weakness, to drive humanity to ruin. And there's another problem: A group, lurking in the darkness of space, playing human and alien against each other-and against their own kind -for their own unknown reasons. In this collapsing universe, CDF Lieutenant Harry Wilson and the Colonial Union diplomats he works

with race against the clock to discover who is behind attacks on the Union and on alien races, to seek peace with a suspicious, angry Earth, and keep humanity's union intact...or else risk oblivion, and extinction-and the end of all things. New Earth Ben Bova 2013-07-16 Award-winning author Ben Bova brings us *New Earth*, his latest tale of science fiction in his Grand Tour series. The entire world is thrilled by the discovery of a new Earthlike planet. Advance imaging shows that the planet has oceans of liquid water and a

breathable oxygen-rich atmosphere. Eager to gain more information, a human exploration team is soon dispatched to explore the planet, now nicknamed *New Earth*. All of the explorers understand that they are essentially on a one-way mission. The trip takes eighty years each way, so even if they are able to get back to Earth, nearly 200 years will have elapsed. They will have aged only a dozen years thanks to cryonic suspension, but their friends and family will be gone and the very society that they once knew will have changed beyond recognition. The explorers are going into exile, and they know it. They are on this mission not because they were the best available, but because they were expendable. Upon landing on the planet they discover something

unexpected: New Earth is inhabited by a small group of intelligent creatures who look very much like human beings. Who are these people? Are they native to this world, or invaders from elsewhere? While they may seem inordinately friendly to the human explorers, what are their real motivations? What do they want? Moreover, the scientists begin to realize that this planet cannot possibly be natural. They face a startling and nearly unthinkable question: Could New Earth be an artifact? The Dead Zone Stephen King 2016-01-01
Set in the fictional town of Castle Rock, Maine A #1 New York Times bestseller about a man who wakes up

from a five-year coma able to see people's futures and the terrible fate awaiting mankind—a "compulsive page-turner" (The Atlanta Journal-Constitution). Johnny Smith awakens from a five-year coma after his car accident and discovers that he can see people's futures and pasts when he touches them. Many consider his talent a gift; Johnny feels cursed. His fiancée married another man during his coma and people clamor for him to solve their problems. When Johnny has a disturbing vision after he shakes the hand of an ambitious and amoral politician, he must decide if he should take drastic action to change the future. With "powerful tension that holds the reader to the story like a pin to a magnet" (The Houston Post), *The Dead Zone* is a "faultlessly paced...continuously

engrossing" (Los Angeles Times) novel of second sight.

The Hot Gate John Ringo 2011-05-01
The fight to free the Earth from alien domination began in *Live Free or Die*, and continued in *Citadel*. Now Tyler Vernon, and his troops aboard the gigantic battle station Troy, face a desperate battle with the forces of galactic tyranny. And the very survival of the Earth and its people is not all that is at stake. The galaxy itself must choose to live free or die-and if the tyrants win this battle, darkness will fall across the galaxy for millennia to come. Agent to the Stars John Scalzi
2008-10-28 From New York Times bestseller and Hugo Award-winner,

John Scalzi, a gleeful mash-up of science fiction and Hollywood satire The space-faring Yherajk have come to Earth to meet us and to begin humanity's first interstellar friendship. There's just one problem: They're hideously ugly and they smell like rotting fish. So getting humanity's trust is a challenge. The Yherajk need someone who can help them close the deal. Enter Thomas Stein, who knows something about closing deals. He's one of Hollywood's hottest young agents. But although Stein may have just concluded the biggest deal of his career, it's quite another thing to negotiate for an entire alien race. To earn his percentage this time, he's going to need all the smarts, skills, and wits he can muster. Other Tor Books The Android's Dream Agent

Zoe's Tale John Scalzi 2011-02-23 Hard-core, fast paced science fiction, John Scalzi's Zoe's Tale is the fourth in The Old Man's War series. She won't go down without a fight. It's not every day you up sticks and move to another world. But then, Zoë Boutin-Perry's life has never been ordinary. She's the adopted teenage daughter of two

former super-soldiers. She's also a holy icon to a race of alien warriors who track her every move. So she's used to the quirks of being a human in space. However, this time something's different. Betrayed by the authorities, Zoë – along with her parents and fellow colonists - finds herself stranded on a deadly pioneer planet. The Colonial Union has also set them up as a target for hostile alien action. Zoë must become a player (and a pawn) in an interstellar battle, which will determine the fate of humanity. Her father's side of this story was told in The Last Colony, but Zoe's Tale reveals a whole new dimension. It's a story you may think you know, but you don't really know it at all. Continue the gripping space war series with The Human Division. 'John Scalzi is

the most entertaining, accessible writer working in SF today' – Joe Hill, author of *The Fireman*
The Human Division John Scalzi
2014-12-15 Hard-core science fiction at its very best, John Scalzi's *The Human Division* is the fifth in *The Old Man's War* series. Lieutenant Harry Wilson has an impossible mission. He must help preserve the union of humanity's colonies, in the wake of a terrible revelation. For years the Colonial Union has protected its citizens from the dangerous universe around them. But the people of Earth now know the ugly truth. The Union deliberately kept Earth as an ignorant backwater – and as a source of recruits for its war against hostile aliens. Now, other alien races have formed a new alliance against the Union. And

they've invited the incensed people of Earth to join them. Managing the Colonial Union's survival will take all the political cunning and finesse its diplomats can muster. And Harry and his team will be deployed to deal with the unexpected – for failure is unthinkable. Continue the gripping space war series with *The End of All Things*.

The Dispatcher JOHN. SCALZI
2021-04-30 One day, not long from now, it becomes almost impossible to murder anyone - 999 times out of a thousand, anyone who is intentionally killed comes back. How? We don't know. But it changes everything: war, crime, daily life. Tony Valdez is a Dispatcher - a licensed, bonded professional whose job is to humanely dispatch those whose circumstances put them in death's crosshairs, so

they can have a second chance to avoid the reaper. But when a fellow Dispatcher and former friend is apparently kidnapped, Tony learns that there are some things that are worse than death, and that some people are ready to do almost anything to avenge what they see as a wrong. It's a race against time for Valdez to find his friend before it's too late...before not even a Dispatcher can save him.

Uncle John's Presents Book of the Dumb 2 John Scalzi 2012-10-01 In this sequel to the best-selling Uncle John's Presents Book of the Dumb, guest author John Scalzi casts a wide net to bring readers more mind-boggling dumbosities perpetrated by dumb-doers. This time, to prove that dumb-nastics are not a modern phenomenon, Scalzi digs into the past

to unearth some of history's most ill-advised blunders. The lesson: Dumb is as dumb does. And you'll be smarter for reading it.

The Last Colony John Scalzi
2007-04-17 Retired from his fighting days, John Perry is now village ombudsman for a human colony on distant Huckleberry. With his wife, former Special Forces warrior Jane Sagan, he farms several acres, adjudicates local disputes, and enjoys watching his adopted daughter grow up. That is, until his and Jane's past reaches out to bring them back into the game--as leaders of a new human colony, to be peopled by settlers from all the major human worlds, for a deep political purpose that will put Perry and Sagan back in the thick of interstellar politics, betrayal, and war. 2017-03-21 *2018 LOCUS AWARD WINNER OF BEST SCIENCE FICTION NOVEL* *2018 HUGO AWARD FINALIST FOR BEST NOVEL*
"John Scalzi is the most entertaining, accessible writer working in SF today." –Joe Hill, author of The Fireman The first novel of a new space-opera sequence set in an all-new universe by the Hugo

Award-winning, New York Times- bestselling author of Redshirts and Old Man's War Our universe is ruled by physics. Faster than light travel is impossible—until the discovery of The Flow, an extradimensional field available at certain points in space-time, which can take us to other planets around other stars. Riding The Flow, humanity spreads to innumerable other worlds. Earth is forgotten. A new empire arises, the Interdependency, based on the doctrine that no one human outpost can survive without the others. It's a hedge against interstellar war—and, for the empire's rulers, a system of control. The Flow is eternal—but it's not static. Just as a river changes course, The Flow changes as well. In rare cases, entire worlds have been cut off from the rest of humanity.

When it's discovered that the entire Flow is moving, possibly separating all human worlds from one another forever, three individuals—a scientist, a starship captain, and the emperox of the Interdependency—must race against time to discover what, if anything, can be salvaged from an interstellar empire on the brink of collapse. "Fans of Game of Thrones and Dune will enjoy this bawdy, brutal, and brilliant political adventure" —Booklist on *The Collapsing Empire* "Political plotting, plenty of snark, puzzle-solving, and a healthy dose of action...Scalzi continues to be almost insufferably good at his brand of fun but think-y sci-fi adventure." —Kirkus Reviews on *The Collapsing Empire* "Scalzi is one of the slickest writers that SF has ever produced."

The Last Emperox John Scalzi
2020-04-16 *The Last Emperox* is the explosive conclusion to John Scalzi's Interdependency series. Can they escape the end of an empire? Entire star systems, and billions of people, are about to be stranded. The pathways that link the stars are collapsing faster than anyone expected, accelerating the fall of

civilization. But though the evidence is insurmountable, many are in denial. And some even attempt to profit from the final days of this golden age. Emperox Grayland II has wrested control of the empire from her enemies. But even as she works to save her people, others seek power. And they will make a final, desperate push to topple her from her throne. Grayland and her depleted allies must use every tool at their disposal to save themselves and humanity – yet it still may not be enough. Will Grayland become the saviour of her civilization . . . or the last emperox to wear the crown?

Redshirts John Scalzi 2013-01-15
Ensign Andrew Dahl has just been assigned to the Universal Union Capital Ship Intrepid, flagship of the Universal Union since the year

2456. It's a prestige posting, with the chance to serve on "Away Missions" alongside the starship's famous senior officers. Life couldn't be better...until Andrew begins to realize that 1) every Away Mission involves a lethal confrontation with alien forces, 2) the ship's senior officers always survive these confrontations, and 3) sadly, at least one low-ranking crew member is invariably killed. Unsurprisingly, the savvier crew members below decks avoid Away Missions at all costs. Then Andrew stumbles on information that transforms his and his colleagues' understanding of what the starship Intrepid really is...and offers them a crazy, high-risk chance to save their own lives. *Redshirts* by John Scalzi is the winner of the 2013 Hugo Award for Best Novel.

Your Hate Mail Will Be Graded John Scalzi 2010-01-05 On September 13, 1998, John Scalzi sat down in front of his computer to write the first entry in his blog Whatever--and changed the history of the Internet as we know it today. What, you're not swallowing that one? Okay, fine: He started writing Whatever and amused about 15 people that first day. If that many. But he kept at it, for ten years and running. Now 40,000 people drop by on a daily basis to see what he's got to say. About what? Well, about whatever: Politics, writing, family, war, popular culture and cats (especially with bacon on them). Sometimes he's funny. Sometimes he's serious (mostly he's sarcastic). Sometimes people agree with him. Sometimes they send him hate mail, which he grades on originality and

sends back. Along the way, Scalzi's become a best-selling, award-winning author, a father, and a geek celebrity. But no matter what, there's always another Whatever post to amuse and/or enrage his readers. Your Hate Mail Will Be Graded collects some of the best and most popular Whatever entries from the first ten years of the blog – a decade of Whatever, presented in delightfully random form, just as it should be. * Winner of the 2009 Hugo Award for Best Non-Fiction Book * Introduction by Star Trek actor Wil Wheaton Old Man's War Series #1 Old Man's War #2 The Ghost Brigades #3 The Last Colony #4 Zoe's Tale #5 The Human Division #6 The End of All Things Short fiction: "After the Coup" Other Tor Books The Android's Dream Agent to the Stars Your Hate

The Lost Fleet: Dauntless Jack Campbell 2006-06-27 Captain John "Black Jack" Geary's legendary exploits are known to every schoolchild. Revered for his heroic "last stand" in the early days of the war, he was presumed dead. But a century later, Geary miraculously returns from survival hibernation and reluctantly takes command of the Alliance Fleet as it faces annihilation by the Syndic. Appalled by the hero-worship around him, Geary is nevertheless a man who will do his duty. And he knows that bringing the stolen Syndic hypernet key safely home is the Alliance's one chance to

win the war. But to do that, Geary will have to live up to the impossibly heroic "Black Jack" legend...

After the Coup John Scalzi 2010-07-20

In a universe of harsh interstellar conflict, the practice of interspecies diplomacy—when possible—is important. So being a Colonial Union officer attached to an interplanetary diplomatic mission sometimes means taking a fall.

Literally. John Scalzi's *Old Man's War* was one of the most popular SF debut novels of the last decade; its sequels are *The Ghost Brigades*, *The Last Colony*, and *Zoe's Tale*. Other novels include *The Android's Dream* and *Agent to the Stars*. His collection of material from his weblog *The Whatever, Your Hate Mail Will Be Graded*, won the Hugo Award in

2009. He won the John W. Campbell Award for Best New Writer in 2006, and was elected President of the Science Fiction Writers of America in 2010. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Quiet War Paul McAuley 2010-08-26
Twenty-third century Earth has been ravaged by climate change, and is now dominated by a few powerful families, with millions of people in prison and millions more labouring to rebuild ruined ecosystems. Meanwhile on Jupiter and Saturn, live the Outers. They have built a wild variety of scientific utopias crammed with exuberant creations of the genetic arts. Now they want to colonise Earth and drive human evolution in a new direction. On Earth, some want to launch a pre-emptive strike against the Outers while others wish to exploit the talents of the gene wizards. It is clear that the fragile detente between the two branches of humanity is breaking down and they may be heading towards war . . .
The Ghost Brigades John Scalzi

2008-08-28 The military science fiction sequel to his extraordinary Old Man's War, John Scalzi's The Ghost Brigades is the second in The Old Man's War series. Who can you trust, if you can't trust yourself? Three hostile alien races have united against humanity, determined to halt our expansion into space. The mastermind behind this lethal alliance is a traitor – Charles Boutin. He was a Colonial Defence Force scientist, with access to their biggest military secrets. Now the CDF's only hope is to discover Boutin's plan. Trouble is, Boutin's dead. As a super-soldier created from Boutin's own DNA, Jared Dirac may have answers. However, when Dirac fails to access the scientist's memories, he's transferred to the Ghost Brigades for training. These

elite troops are also cloned from the dead, so he might fit in. But will Dirac's memory return as the enemy plots the fate of humankind? And whose side is Dirac really on? Continue the gripping space war series with The Last Colony.

Old Man's War John Scalzi 2005-12-27
John Perry did two things on his 75th birthday. First he visited his wife's grave. Then he joined the army. The good news is that humanity finally made it into interstellar space. The bad news is that planets fit to live on are scarce—and alien races willing to fight us for them are common. So: we fight. To defend Earth, and to stake our own claim to planetary real estate. Far from Earth, the war has been going on for decades: brutal, bloody, unyielding. Earth itself is a backwater. The bulk of humanity's

resources are in the hands of the Colonial Defense Force. Everybody knows that when you reach retirement age, you can join the CDF. They don't want young people; they want people who carry the knowledge and skills of decades of living. You'll be taken off Earth and never allowed to return. You'll serve two years at the front. And if you survive, you'll be given a generous homestead stake of your own, on one of our hard-won colony planets. John Perry is taking that deal. He has only the vaguest idea what to expect. Because the actual fight, light-years from home, is far, far harder than he can imagine—and what he will become is far stranger. The Android's Dream John Scalzi
2007-04-01 From New York Times
bestseller and Hugo Award-winner John Scalzi, a wild-and-woolly caper novel of interstellar diplomacy A human diplomat creates an interstellar incident when he kills an alien diplomat in a most . . . unusual . . . way. To avoid war, Earth's government must find an equally unusual object: a type of sheep ("The Android's Dream"), used in the alien race's coronation ceremony. To find the sheep, the government turns to Harry Creek, ex-cop, war hero and hacker extraordinaire, who, with the help of a childhood friend turned

artificial intelligence, scours the earth looking for the rare creature. But there are others with plans for the sheep as well. Mercenaries employed by the military. Adherents of a secret religion based on the writings of a 21st century SF author. And alien races, eager to start a revolution on their home world and a war on Earth. To keep our planet from being enslaved, Harry will have to pull off a grand diplomatic coup, a gambit that will take him from the halls of power to the lava-strewn battlefields of alien worlds. There's only one chance to get it right, to save the life of the sheep—and to protect the future of humanity. The Ghost Brigades John Scalzi
2007-04-01 The Ghost Brigades are the Special Forces of the Colonial Defense Forces, elite troops created from the DNA of the dead and turned into the perfect soldiers for the CDF's toughest operations. They're young, they're fast and strong, and they're totally without normal human qualms. The universe is a dangerous place for humanity—and it's about to become far more dangerous. Three races that humans have clashed with

before have allied to halt our expansion into space. Their linchpin: the turncoat military scientist Charles Boutin, who knows the CDF's biggest military secrets. To prevail, the CDF must find out why Boutin did what he did. Jared Dirac is the only human who can provide answers -- a superhuman hybrid, created from Boutin's DNA, Jared's brain should be able to access Boutin's electronic memories. But when the memory transplant appears to fail, Jared is given to the Ghost Brigades. At first, Jared is a perfect soldier, but as Boutin's memories slowly surface, Jared begins to intuit the reason's for Boutin's betrayal. As Jared desperately hunts for his "father," he must also come to grips with his own choices. Time is running out: The alliance is preparing its

offensive, and some of them plan worse things than humanity's mere military defeat... The Last Colony Earth itself is a backwater. The bulk of humanity's resources are in the hands of the Colonial Defense Force, which shields the home planet from too much knowledge of the situation. What's known to everybody is that when you reach retirement age, you can join the CDF. They don't want young people; they want people who carry the knowledge and skills of decades of living. Old Man's War John Perry did two things on his 75th birthday. First he visited his wife's grave. Then he joined the army, with only the vaguest idea what to expect. Because the actual fight is far more difficult than he can imagine—and what he will become is far stranger. The Ghost Brigades At first, Jared is a perfect soldier, but as another man's memories slowly surface, Jared

begins to intuit the reasons for their betrayal. Time is running out: The alliance is preparing its offensive, and some of them plan worse things than humanity's mere military defeat. The Last Colony Retired from his fighting days, John Perry and his wife, Jane, are pulled back into the political arena, and into the thick of interstellar politics, betrayal, and war. the tyrannical Alliance, Daniel Leary, recently promoted to commander, and his crew are given the task of preventing Dunbar's World from falling to an invasion by the planet Pellegrino, despite the heavy odds against them.

East of Eden John Steinbeck 2002-02-05 A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations

helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

Singularity (Star Carrier, Book 3)
Ian Douglas 2012-11-08 The third book

in the epic saga of humankind's war of transcendence

The Dispatcher John Scalzi 2017-05-31 One day, not long from now, it becomes almost impossible to murder anyone - 999 times out of a thousand, anyone who is intentionally killed comes back. How? We don't know. But it changes everything: war, crime, daily life. Tony Valdez is a Dispatcher - a licensed, bonded professional whose job is to humanely dispatch those whose circumstances put them in death's crosshairs, so they can have a second chance to avoid the reaper. But when a fellow Dispatcher and former friend is apparently kidnapped, Tony learns that there are some things that are worse than death, and that some people are ready to do almost anything to avenge what they see as a

wrong. It's a race against time for Valdez to find his friend before it's too late...before not even a Dispatcher can save him.

The Last Colony John Scalzi
2010-11-23 Hard-core military science fiction at its very best, John Scalzi's The Last Colony is the third in The Old Man's War series. They must save themselves – or die trying. John Perry was living peacefully on one of humanity's colonies – until he and his wife were offered an opportunity these ex-supersoldiers couldn't resist. To come out of retirement and lead a new frontier world. However, once on the planet, they discover they've been betrayed. For this colony is a pawn in an interstellar game of war and diplomacy. Humanity's Colonial Union has pitched itself against a new,

seemingly unstoppable alien alliance, dedicated to ending all human colonization. As this contest rages above, Perry struggles to keep his terrified colonists alive on the surface below – despite dangerous interstellar politics, violence and treachery. And the planet has yet to reveal its own fatal secrets. Continue the gripping space war series with Zoe's Tale.

The Human Division John Scalzi
2013-05-14 Following the events of The Last Colony, John Scalzi tells the story of the fight to maintain the unity of the human race. The people of Earth now know that the human Colonial Union has kept them ignorant of the dangerous universe around them. For generations the CU had defended humanity against hostile aliens, deliberately keeping Earth an

ignorant backwater and a source of military recruits. Now the CU's secrets are known to all. Other alien races have come on the scene and formed a new alliance—an alliance against the Colonial Union. And they've invited the people of Earth to join them. For a shaken and betrayed Earth, the choice isn't obvious or easy. Against such possibilities, managing the survival of the Colonial Union won't be easy, either. It will take diplomatic finesse, political cunning...and a brilliant "B Team," centered on the resourceful Lieutenant Harry Wilson, that can be deployed to deal with the unpredictable and unexpected things the universe throws at you when you're struggling to preserve the unity of the human race. Being

published online from January to April 2013 as a three-month digital serial, The Human Division will appear as a full-length novel of the Old Man's War universe, plus—for the first time in print—the first tale of Lieutenant Harry Wilson, and a coda that wasn't part of the digital serialization.
